

School District
Planning Cycle

**ENHANCING STUDENT
LEARNING**

Impact from PAC Consultations

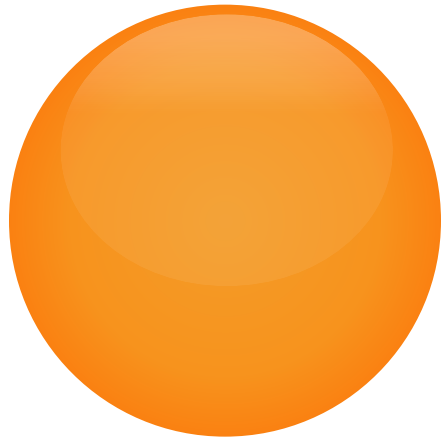

For better outcomes for our students

**Feedback from District-wide PAC
consultations = 308 individual comments**

Common Themes Arising From Consultations

- 1. Communication**
- 2. Concerns for Students**
- 3. Parent/Community Involvement in
Student Learning**
- 4. Concerns for Teachers**

How is SD51 supporting these themes in schools?

Communication - what the District is doing:

- ▶ Consultation follow-up
- ▶ Parent surveys
- ▶ Student surveys
- ▶ Websites - District and school
- ▶ Elementary “back and forth” agendas
- ▶ Fresh Grade reporting to parents
- ▶ Social media for all schools on Facebook
- ▶ Student Learning Plans

Concerns for Students - What the District is doing:

- Behavior Program funding
- GFSS PEP Program
- BCSS Mini-Alternate Program
- Pro D for EA & CYCs
- EA support in classrooms
- Team teachers support student needs
- Continued funding for Nutrition programs
- Aboriginal student support
- Classroom teacher relationships

Parent/Community Involvement in Student Learning - What the District is doing:

- ▶ Project Heavy Duty
- ▶ Fire Suppression
- ▶ Work Experience opportunities
- ▶ Maker's Day
- ▶ Aboriginal Elders in classrooms
- ▶ Sustainable Resources course at BCSS
- ▶ Spirit Club at BCSS
- ▶ Parent involvement in classes
- ▶ Community Literacy - After-School Tutoring
- ▶ After School Art and Sports Program
- ▶ Work Experience for vulnerable students at local businesses
- ▶ Graham Watt working with Fred Walker students on project-based learning
- ▶ Boy's Mentoring and Girl's Eye View in the West
- ▶ Boundary Family and Individual Services Society

Concerns for Teachers - What the District is doing:

- **Teacher Learning 51**
 - **Inquiry Practices**
 - **Early-Career Teacher Learning Program**
 - **Summer Collaborative Learning**
 - **Building Inclusive Classrooms**
 - **Numeracy Teaching & Learning**
- **Teacher Non-Instructional Days**
- **Learning Improvement Fund teacher support**
- **Additional E.A. support in classrooms**

2016 - 2017 Investment

- ▶ Continuation of full-time Behaviour Program
- ▶ Additional or continued EA and CYC Support at Perley, Hutton, DLC at GFSS,
- ▶ Recognizing the needs for support for both Grade 8 Rotation and Grade 9 students at GFSS
- ▶ Mini-Alternate Program at BCSS
- ▶ Reading Program and blended-learning support at the Four Schools
- ▶ Pro D for EAs and CYCs
- ▶ Learning Support teachers
- ▶ Mentorship Program for teachers
- ▶ Inquiry Practice
- ▶ Student Learning Plans
- ▶ Technology to support learning
- ▶ School environments - upgrades through use of provincial funding

Future Consultations

Your voice is important for the success of our Students
