

## **SCHOOL DISTRICT NO. 51 (BOUNDARY) BOARD REPRESENTATIVES - 2010**

---

Board members are asked to sit on external committees and groups as representatives of School District #51. Representatives of the District are expected to take a District point of view when representing the District. They should relay District concerns to the individual groups/organizations and report back to the Board on issues when necessary to do so. Some of these external positions are appointed and some need to be elected by the Board as a whole. The current major positions are as follows.
