Thoughts for the Season

I cannot believe we are saying Happy Holidays already! It has been a busy and learning focused time these past months. I am amazed when I walk down the halls of our school to see the wonderful learning experiences our students are provided. I would like to thank our staff for the learning opportunities they have provided our students to date this year.

It truly takes an entire community to raise a child and we have had significant support from Perley parents. I would like to thank the Perley PAC for their hard work in making our school a better place for students and families. Please take time during the Holidays to relax, laugh and enjoy family traditions and time together. We look forward to seeing everybody well rested and ready to learn in the New Year!!!!!!

SKI & BOARD PROGRAM

Intermediate students will be participating in the Ski/Board Program at the Phoenix Ski Hill on Mondays and Tuesdays in February. Detailed information will be sent home with students in early January.

Schools re-open on Tuesday, January 3rd

Twos' One Crazy Night Before Christmas

It was a different Christmas Concert for Perley this year... during the day, here at Perley and not at the High School. With all that change...what an amazing show our students put on in the first of what may become our new tradition for concerts. Congratulations to all our students on their performances and a special note to the efforts of the cast and crew. Team Perley includes all students, staff, parents and community members that come together to provide exceptional learning experiences for our students. The new Perley music teacher, Ms. Hnatiw did an amazing job in her first Perley Concert. She provided a safe and caring environment for all students and staff to learn and own this years performance. We are so glad she has joined our Perley Team!

Seasons Greetings
