CHRISTMAS CONCERT – December 6 & 7

Learning For Life

Perley Christmas Concert 2011

'Twas One Crazy Night Before Christmas'

The Perley Christmas concert is going to be different this year. First of all..... we will be hosting the Christmas Concert at Perley School in our gym. Second of all.....it will be during the day and not in the evening. We will have two performances, the first on Dec. 6th from 10:30-11:30 and the second on Dec. 7th from 2:00-3:00. All students will be performing in both shows. However, the show on Tuesday will be for Primary parents and the show on Thursday will be for Intermediate parents. If you are unable to attend your designated show you are welcome to attend the other show. Admission to the concert is a donation to the Food Bank. Please call the school at 442-2135 if you have any questions.

VOLLEYBALL

We have over 75 students playing volleyball from grades 4-7. Our grade 4/5 teams are having a fun season of skill building. We have two practices a week and 1 day of intramural games between our seven grade 4/5 teams. Mrs. Argue, Mrs. Garrison and Mr. Argue are having a wonderful time coaching these keen young athletes. The Grade 6/7 teams are also having a fantastic season. The players have shown incredible growth and skill development with particular improvement in team play. This was made possible by the hard work of their coaches Mrs. Sebastian and Mr. McKinlay. The 6/7 teams have played two district wide playdays with teams participating from across the School District. Congratulations to our volleyball teams on a great season and thanks to our dedicated coaches!

Last day of school before winter vacation is Thursday, December 15th

Schools re-open on Monday, January 3rd

LOST & FOUND

Our lost and found is overflowing. If your child is missing any clothing items, please come and check out the two lost and founds by the office and library.

PENNY DRIVE

Mr. McKinlay's Grade 6/7 students wanted to do something for their community and as a class decided to raise money to buy food for the local Food Bank. Each classroom will have a "Penny Jar" so students may contribute if they like. On December 16th the class will go on a shopping trip and then present the groceries to our local Food Bank.

Let's see how many pennies we can collect!!!

Report Cards

Due to the teacher job action, you may or may not receive a formal school report card this December. We are awaiting a Labour Relations Board ruling that will direct us on whether report cards must be completed with student marks or not. Parents are encouraged to contact their child's classroom teacher regarding their progress. Please see the letter from the Superintendent of S.D. 51 regarding report cards at www.sd51.bc.ca/perley/.

Cultural Performance 'Kikeyambay'

Our students and staff had a wonderful experience watching these amazing West African musicians, dancers and entertainers. Many students participated in the performance which was highlighted by the performance of "Mr. Fantastic".
