

Kindergarten Registration

School District No. 51 (Boundary)

2010 –2011 School Year

- Parents of children who turn 5 years old by **December 31, 2010** may register their child at their neighborhood school. Parents are asked to bring the **child's birth certificate and BC Care Card** at the time of registration. Please register soon.
- Parents may defer enrolment of their child until **September, 2011**. Parents are welcome to consult with the Principal of their neighborhood school or District staff if they are considering deferring registration for one year. Please contact **Maxine Ruzicka, Director of Instruction** at the School Board Office 250-442-8258.
- School District 51 will be offering full-day Kindergarten at J.A. Hutton and Dr. D.A. Perley Elementary schools.
- In addition, schools that will have K/1 classes or multi-grade groupings will also offer full-day kindergarten. It is anticipated that this will include Big White, Beaverdell and Midway Elementary Schools. West Boundary Elementary and Christina Lake Elementary may have K/1 classes. Then they too will be offering full-day Kindergarten.
- If West Boundary Elementary and Christina Lake Elementary schedule a "straight" Kindergarten class then these classes will be half-day unless during the 2010-2011 budget process the Board can find funding for full-day Kindergarten.
- In 2011-2012 all schools in the District will be offering full-day kindergarten.
